

SERVE OPPORTUNITIES

Below is a list of our most needed roles where you can serve and get connected.

Scripture Reader Team Lead

The Scripture Reader Team Lead manages reader registrations and sends out weekly scripture passages to readers. This is a great role for someone who enjoys serving behind the scenes and keeping things organized.

Welcome Desk Team Member

Be the friendly face that helps guests and members feel at home. This team welcomes first time guests, answers questions, and helps people find their way around the church. The welcome desk plays a big role in making PTCUMC a place where people feel known and valued.

Lobby Design Team Member

Help create beautiful and inviting lobby spaces for holidays and special seasons. This team works with the Lobby Design Team Lead to design and set up seasonal themes. Upcoming projects include Easter, Mother's Day, and Father's Day.

Worship Space Team Member

The Worship Space Team helps create a welcoming and worshipful atmosphere by updating decor and banners in the Traditional and Contemporary Worship Centers. We're also looking for a few strong individuals to assist with lifting and changing banners. This team serves under the Worship Space Team Lead.

9:30 Communion Team Lead

We are looking for someone to assist the current 9:30 Communion Team Lead. This role involves sending out monthly reminders and schedules and occasionally helping with Communion set up on Sunday mornings.

11:00 Usher Team

Help create a welcoming and organized worship experience during the 11:00 service. Responsibilities include greeting guests, assisting with seating, directing the congregation during Communion, and collecting the offering. This team plays an important role in supporting the flow of worship and offering hospitality to all who attend.

Interested in one of these opportunities? Contact Jamie Mathis at jamie.mathis@ptcumc.org to sign up today.
